

Instructions for installing the YouVersion Bible app

YouVersion®
The Bible App™

It's important to be using the specific YouVersion Bible app on your device. For more info see; <https://www.bible.com/app>

The specific plan we will be following is called the CCV (362 days) and is found here; <https://www.bible.com/reading-plans/48-ccv-the-bible-in-one-year>

How to get the Bible app on to your iPhone or iPad

1. On your iPhone or iPad - open the App Store app. It will look similar to this  or this 
2. Browse or search for the "Bible app" that looks like this  that says it comes from YouVersion.
3. Tap or click the "Get" button (see image 1 below). If you see the "Open" button instead of a Get button, you already have downloaded that app.
4. You may need to Confirm the installation by entering your passcode or using Touch ID. If you have an iPhone X, double-click the side button to activate Face ID and confirm the installation.
5. Now, the app will begin installing on your device. You'll see a small status circle (see Image 2 below) to the right of the app in the App Store.
6. Once the app has finished installing, it will show up on the Home screen of your iPhone.
7. You may have to scroll (by swiping right to left on your iPhone's display) to your second or third Home screen to find the app.
